## Preschool and Child Care

**6 weeks - 5 years old**

**Monday - Friday, 7:30AM-5:30PM**

**August - May, June - July**

The goal of Beginnings Preschool is to help children feel secure in a group of peers in preparation for kindergarten. We provide opportunities and activities to enhance each child's skills with a focus on social and emotional development. With an emphasis on nature and the out-of-doors, the children and their teachers go outside almost every day, dressed for the weather. Daily activities include planned lessons, singing, stories, art, and gross motor playtime. Children must bring a non-perishable lunch.
