

Food Pantry Volunteer Interest

The 1st Baptist Food Pantry would like to hear from any individuals or groups interested in volunteering to help in the running of the pantry. We need the following:

- Shopping for food
- Transporting food
- Staffing during pantry days
- Inventory control
- Client interaction (assessment of needs, prayer requests, church involvement, etc.)
- Food sorting
- Special distributions coordination
- Pantry management

We would also like to know:

- What area(s) you are interested in volunteering
- The amount of time you are willing to give
- The time of day that is best for you
- The day(s) of week that are best for you
- Any other suggestions or abilities you have

In planning for the future, we feel we need to start with the volunteer base. Without volunteers the pantry can't work.

This is a questionnaire, not a commitment. We thank you for your consideration.

Please reply to with your contact information to:
